Each time they perform, travel, compete, win or place, they represent the vigor and enthusiasm of youth, the discipline of professionals and the finest quality of Lafayette, Indiana and Jefferson High School.

Members of First Edition and Varsity Singers put in many hours of dedicated practice and are responsible for raising funds for costumes, food, lodging, and travel expenses when they compete. Both choirs are co-curricular activities, and by-in-large are self supported. As you can well imagine, the operational budget to support these groups is considerable. Much of what they do in terms of competition would not be possible without enthusiastic financial sponsors and faithful followers. Lafayette citizens and businesses alike have made the difference in the past, and we are counting on you again this year!

Please consider making a gift to an upstanding member of Lafayette Jefferson Choirs.
